These materials and the information contained herein, along with any associated oral presentation or discussion (together, the “Materials”) are provided by LevelTen Energy, Inc. and/or its affiliates (“LevelTen”) for general informational purposes only and should not be relied upon for purposes of any transaction or a definitive agreement, or for any other purpose. These Materials are confidential and proprietary and may not be disclosed, distributed, or replicated in any form without the prior consent of LevelTen. Any Materials provided do not constitute (i) a recommendation to enter into any particular transaction, (ii) investment, legal, accounting, or tax advice; or (iii) any other advice, including advice regarding the value of or advisability of entering into any commodity interest or other swap within the meaning of the Commodity Exchange Act. You should consult your own attorney and advisors before engaging in any transaction in connection with any project, asset, or third party mentioned herein.

The information contained herein reflects and is based upon data and information provided by third parties, including project developers and providers of forward energy price and other energy market data. The information may be outdated and LevelTen assumes no obligation to update or otherwise revise these Materials. It does not constitute an offer to enter into any transaction or definitive agreement by, or create any legally binding or contractual obligation or liability with respect to, LevelTen or any party referenced herein. In preparing this document, LevelTen has assumed and relied upon the accuracy and completeness of all such information and has not independently verified any such information. LEVELTEN DOES NOT GUARANTEE, AND MAKES NO REPRESENTATION OR WARRANTY WITH RESPECT TO, THE ACCURACY OR COMPLETENESS OF ANY SUCH INFORMATION OR OF THE INFORMATION CONTAINED HEREIN, AND ALL INFORMATION CONTAINED HEREIN IS PROVIDED “AS-IS.” WITH RESPECT TO THE MATERIALS, LEVELTEN EXPRESSLY DISCLAIMS WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, OR WARRANTY OF TITLE. LEVELTEN DOES NOT WARRANT, ENDORSE, OR ASSUME RESPONSIBILITY OR LIABILITY FOR ANY ACTION OR INACTION BASED ON ANY INFORMATION CONTAINED HEREIN.

All projections, valuations, estimations, and analyses provided: (i) may be based on subjective assessments and assumptions, (ii) may use one among several alternative methodologies that produce different results, and (iii) to the extent such projections, valuations, estimations, or analyses are based on historical information, should not be relied upon as an accurate prediction of future performance, and no representation or warranty, express or implied, is made regarding future performance. All projections and forecasts are illustrative only and nothing contained herein is intended to suggest any outcome is more likely than another, nor are all possible outcomes or the range of possible outcomes included herein.

LevelTen is a commodity trading advisor (CTA) registered with the Commodity Futures Trading Commission (CFTC) and is a Member of the National Futures Association (NFA). Commodity interest trading involves substantial risk of loss. Access to or use of the Materials does not establish a “client” or “customer” relationship with LevelTen within the meaning of the CFTC’s regulations.

LevelTen’s Asset Marketplace software platform and services may provide certain data, analytics, and information regarding renewable energy projects to assist parties in evaluating asset transactions; however, LevelTen expressly does not provide users with any investment advice or make personal recommendations as to whether or not to enter into any particular transaction, and all transaction decisions shall be made by the user, in its sole discretion. Moreover, the LevelTen platform is not designed or intended to allow users to place orders or enter into self-executing transactions within the platform, and the offer, acceptance and contracting process for all transactions shall take place directly between buyer and seller, with the LevelTen platform merely providing tools and information to help facilitate such transactions. Where applicable, LevelTen is acting in the limited capacity of an “M&A Broker” within the meaning of a “no-action” letter dated January 31, 2014 issued by the Securities and Exchange Commission (“SEC”) in providing services related to the Asset Marketplace software platform and has not registered as broker or a dealer under the Securities Exchange Act of 1934.
